Hi Matt,

Sorry for the late response – I've been out of town until last night. Attached is the mitigation effectiveness analysis you requested. I haven't posted this to our website or otherwise made it publicly available, but I intend to do so next week.

Give me a call if you have questions.

Larry

Larry, thanks for the call today. Per our conversation, can you please send me your mitigation effectiveness analysis for the Oceano/Nipomo Dunes?

Thanks,
Matt
